Health and Safety Policy Review Record

The development history of our documentation is recorded to demonstrate that we have reviewed and updated our Health and Safety Policy. We will review our documents ourselves, and in conjunction with Croner Consulting (formerly IRPC), our Health and Safety Consultants, periodically and at least annually. We will communicate any changes to the staff affected and implement any new arrangements or requirements.

Health and Safety Policy first issue date: .....

Date of management training by Croner Consulting: ..... Consultant .....
